

HOLY TRINITY SCHOOL Classrooms at a Glance

2nd Grade at a Glance

Exploring community and building an understanding of the interaction of all living things

Our 2nd grade students:

- Become confident and enthusiastic readers and writers through a variety of texts and experiences
- Acquire logic and number sense through multi-step, open-ended questions
- Introduce scientific method and apply inquiry skills through exploring simple machines
- Investigate citizens' rights and responsibilities and cultivate a sense of global citizenship
- Prepare for and receive First Reconciliation and First Holy Communion
