

# HOLY TRINITY SCHOOL Classrooms at a Glance

## 3rd Grade at a Glance

---

Fostering joyful, student-centered learning and growing, guided independence

---

Our 3rd grade students:

- Gain independence in reading, both for knowledge and pleasure
- Develop research and planning skills through an ocean animal research project
- Master multiplication, division and cursive
- Manage more challenging and complex tasks independently through collaborative learning
- Sing, dance and play in active music classes inspired by the Orff-Schulwerk approach to music education
