

HOLY TRINITY SCHOOL Classrooms at a Glance

4th Grade at a Glance

Cultivating leadership and collaborative learning through World Studies

Our 4th grade students:

- Develop individual responsibility and practice successful team-building skills
- Begin to think critically about writing through annotation and analysis of literary techniques
- Develop solid fluency in areas of geometry, data analysis and number sense
- Become independent readers through exploring various genres and participating in literary discussions
- Experience a wide variety of music, learn folk dances from around the world and discover classroom instruments
