

HOLY TRINITY SCHOOL Classrooms at a Glance

6th Grade at a Glance

Developing strong academic skills and relationship-based teaching and learning

Our 6th grade students:

- Gain strong essay writing skills through analysis of prose and verse for sound and sense
- Explore world geography and the lands and cultures of the Western Hemisphere
- Focus on the elements and principles of art, art movements and cultures
- Apply the scientific method to lab experiments, projects and inventions
- Utilize technology in reading, writing and presentations across the curriculum
