

HOLY TRINITY SCHOOL Classrooms at a Glance

7th Grade at a Glance

Developing strong academic skills and relationship-based teaching and learning

Our 7th grade students:

- Look inside poems for sound and sense and find the voice behind the speaker of an essay or narrative
- Explore the people, cultures and geography of the Eastern Hemisphere with a major focus on Asia, Africa and the Pacific
- Examine and reason using statistics, graphing, algebraic reasoning and probability
- Focus on life science and learn about cells, heredity, bacteria, viruses and ecology
- Create Fauve world architecture paintings, pop art still lifes, tessellations and gargoyles
