

# HOLY TRINITY SCHOOL Classrooms at a Glance

## 8th Grade at a Glance

---

Developing strong academic skills and relationship-based teaching and learning

---

Our 8th grade students:

- Grow as effective writers of English prose that is clear, creative, concise and precise
- Delve into classical literature through cross-curricular projects including history, drama and music
- Recognize the doctrinal and personal meaning of the sacrament of Confirmation
- Graph linear equations and solve systems of equations through operations with polynomials and factoring
- Explore US history using books, primary sources and field trips to historical sites and museums
