

# HOLY TRINITY SCHOOL Classrooms at a Glance

## Kindergarten at a Glance

---

Developing a love of learning  
and curiosity of the natural  
world through exploration

---

Our Kindergarten students:

- Acquire social skills such as responsibility, caring and fairness through guided play
- Learn problem-solving skills and the importance of community
- Create a foundation for literacy through phonemic awareness, phonics, fluency, vocabulary and comprehension
- Develop their understanding of numerical concepts through hands-on work, reasoning and making connections

Please contact our Admissions Department at [admissions@htsdc.org](mailto:admissions@htsdc.org) or visit [www.htsdc.org/admissions](http://www.htsdc.org/admissions) for more information.
